DESCRIPCIÓN DEL PRODUCTO

The FLAMA ProClean 45 1652FL cordless vacuum cleaner combines power, battery life and convenience for efficient cleaning throughout the home. With a battery life of up to 45 minutes and a removable 22.2 V (2200 mAh) battery, it offers greater freedom of use and charging. Cyclonic technology ensures consistent suction, whilst the rotating motorised brush with LED lighting makes it easier to clean floors and hard-to-reach areas. Vertical parking allows for convenient and immediate storage. It also features a removable 800 ml dustbin with an easy-open lid and a removable, washable HEPA filter. It includes a wall mount, a long crevice tool and a sofa brush, ensuring versatile cleaning on different surfaces.
